

New Jersey Association of Student  
Financial Aid Administrators, Inc.

## 2009-2010 NJASFAA COMMITTEES

**College Goal Sunday** – Plans activities related to College Goal Sunday.

**Conference** - Plans all activities related to the fall and spring conferences for the association.

**Government Relations** - This committee is responsible for tracking, interpretation and evaluation of all activity related to Federal and State Regulations during the year.

**Mentoring** - This committee is charged with providing guidance and support to new financial aid administrators.

**MultiCultural Committee** - This committee has historically promoted sensitivity in the association to those issues that are of significant concern to students of culturally diverse backgrounds.

**Non-Traditional Committee** - This committee addresses the unique needs of Rabbinical, Proprietary, Nursing, and Vocational Technology institutions and serves as a forum for training and problem resolution.

**Public Relations** - This committee disseminates accurate student financial assistance information to students, parents, guidance community, and politicians.

**Training & Professional Development** - This committee is responsible for planning and arranging for all training and professional development activities. Serves as liaison for EASFAA/NASFAA training activities.
