8.0 NJASFAA POLICIES

8.1 *Alcohol Policy*

NJASFAA will not pay for alcoholic beverages in conjunction with Executive Council Meetings or Committee Meetings. There may be NJASFAA sponsored events where the serving of alcohol is deemed appropriate. NJASFAA Executive Council can authorize events (i.e. Annual Conference) to include alcoholic beverages and may chose to set limitations on the amount and/or the amount of time during meals and/or receptions at those events during which alcohol could be served without charge.

- A. NJASFAA does not typically pay for alcohol consumed by members, officers, committee chairs, etc. Notwithstanding the above, Executive Council may, at its discretion, authorize scheduled events during the Annual Conference, Retreats and other Association Events when alcohol will be served and not billed to the individual.
- B. Typically, alcohol ordered at NJASFAA meetings, events, dinner, etc. should be ordered by individuals and billed individually.
- C. Members of group dinners should request separate checks to avoid having alcohol consumed at the table billed to NJASFAA group bills.
- D. Committee chairs and other event leaders need to remind members of this policy.

6/20/11

8.2 *Archiving Policy*

All NJASFAA minutes and correspondence will be stored on the NJASFAA website. It shall be the responsibility of the Secretary to upload all minutes and other appropriate correspondence to the website for history.

8.3 *Collections Policy*

Beginning with the 2016-2017 Academic-year NJASFAA implemented its new on-line payment option for yearly membership payments, as well as training and conference registrations. In addition, NJASFAA has not had a documented collection policy to assist in its handling of delinquent account receivables.

The purpose of this policy is to:

- Define the parameters for the registration of NJASFAA events when the registrant has an outstanding balance due.
- Define the collection of delinquent accounts receivable for monies owed to NJASFAA at any particular time.
- Define the authority for the write - off of receivables.
- Communicate to the Board of Directors and the membership the formal policy of the Executive Council regarding the collection of delinquent accounts receivable.

This policy applies to all Funds of NJASFAA recorded as part of their accounting activities on the General Ledger of the Association.

The Treasurer shall be responsible for the implementation and administration of this policy.

Delinquent account receivables are monies greater than 90 days past the date the payment was due that are legally owed to the Association at any particular time and represent assets. Examples may include, but are not limited to, the following:

- Amounts billed by the Association for conferences, trainings and memberships.

The write-off of Accounts Receivable is the removal of an amount, or part of an amount, of money owed to the Association that had been determined to be a receivable, from the accounts receivable ledger. Amounts for which the Association has attempted to collect in good faith that exceed a two year period shall be deemed eligible for a write-off via a vote from Executive Council.

The write-off will not remove the adverse history notation from the on-line registration system. On a case by case basis individuals can petition for removal by contacting the Treasurer and submitting an explanation of why payment cannot be made.

Process:

- A. All event and annual membership registrations/renewals are done on-line at njasfaa.org.
- B. Upon registration for an event, or an annual membership renewal, the on-line system will review the registrants account to determine that there are no outstanding receivables older than 90 days from a previously registered and attended event.
 - a. If the registrant has no outstanding receivables they will be given the option to pay on-line via credit card or to print out an invoice and pay via hard copy check. The registration will be processed.
 - b. If the registrant is determined to have an outstanding receivable that is older than 90 days they will be presented with only an option to pay with a credit card in order for their registration to be processed. If they do not/cannot pay via credit card the registration will not be processed and a message to contact the Treasurer will be displayed.

Collection procedures for receivables:

- A. An invoice must be prepared, recorded and delivered to the debtor as soon as practical after the receivable is created and the debtor must provide payment prior to the event registered for or, if possible, 60 calendar days from the date of the invoice (whichever comes first).
- B. If payment is not received prior to the event date, the registrant shows up for the event and the registrant has no adverse payment history, they will be allowed to attend.
- C. If payment is not received prior to the event date, the registrant shows up for the event, payment arrangements have not been made in writing with the Association and the registrant has adverse payment history, they may not be allowed to attend.

- D. If within 60 days from the date of the registered and attended event payment has not been received the debt is considered an overdue receivable and a reminder will be sent to the registrant.
- E. If payment is not received during the next 30 days, i.e. within 90 days from the date of the event, the Treasurer shall attempt to collect again by notifying the debtor in writing that payment is now overdue and payable immediately.
- F. If payment is not received during the next 30 days, i.e., within 120 days from the date of the event, the overdue receivable becomes a delinquent account receivable. The Treasurer shall:
 - c. Notify the debtor in writing that payment is now overdue and payable immediately; and,
 - d. If no payment is made within 10 days from the date of the notification, the delinquent account will prevent the individual from attending future Association sponsored events.
 - e. If the payment is received after this 10 day period the Association reserves the right to limit future payment options for events.
 - f. In addition, the Association reserves the right for the outstanding debt to be referred to a collection agency or collections bureau immediately.

Referral for collection –

The Association may refer to a collection agency on the 11th day that no payment is received once the account is at least 120 days old.

Review-

The Treasurer may review this policy and make recommendations for changes as needed.

4/28/17

Membership fees are not transferable and non-refundable.

B. Registration Fee Refund Policy for Annual Conference/Workshops

- a) All requests for refunds shall be in writing and sent to the Treasurer for approval. The Treasurer may consult with the President before approving a request.

- c) Exceptions for extenuating circumstances to item b) above may be granted upon

approval of the Treasurer and the President. Such requests must be postmarked within 15 days after the activity. The Treasurer may request documentation for the extenuating circumstance or may approve request without documentation. Up to 50% may be refunded.

C. Registration Fee – Non-Payment/No Shows

A registrant who has not made a payment and does not attend the conference or training event will be responsible for the registration and/or membership fee in full and will be billed accordingly. If the registrant is not planning to attend, a cancellation request must be submitted at least 15 calendar days prior to the event. Until an outstanding balance is satisfied, the member will not be allowed to register and attend any future NJASFAA sponsored events.

- e) The Conference Planning Committee is authorized to pay travel expenses, hotel accommodations and meals for nonmember speakers for appropriate periods.
- f) The Conference Planning Committee will ask if the non-member speaker(s) will charge any additional fees (i.e., honorariums, stipends). It is suggested that \$200 is a reasonable guideline for interest session speakers. Approval of the Conference Planning Committee Chair is needed before final commitments are to be made.
- g) Any speaker honoraria of \$500 or more require a written contract. The President reviews and signs such contracts.

- h) The NJASFAA Conference Registration fee is not paid for the NJASFAA President.

8.18 Reserve Fund Policy

- A. The Reserve Fund has been established as capital reserve for the Association to be set aside for contingencies.
- B. The level of funds to be maintained in the Reserve Fund should not go lower than the contracted commitments for the annual conference(s) on a yearly basis plus annual insurance and accounting fees.
- C. The intent of the Reserve Fund is to have funds available to meet unusual income shortfalls. Any withdrawal from the fund is to be defined a capital liquidation and therefore should be considered an extreme measure. Withdrawals from this fund should only be made after consultation with the President and a unanimous vote of the Executive Council.
- D. The Reserve Fund shall be so identified and maintained in a separate interest bearing account and managed according to sound financial investment policies. A separate report format shall be a part of any Treasurer’s report detailing the balance of the fund and interest earned. Any adjustment required to maintain the reserve requirement shall be made at least annually.
- F. The Treasurer must seek and receive approval of the Executive Council to move investment accounts and retain or discharge professional persons (e.g. accountant, lawyer, broker) prior to any change.

8.19 *Revenue and Expenditures Policy*

At the beginning of every term, the President will work with the Finance Committee and the Treasurer to develop a balanced budget for the next fiscal year. In order to achieve a balanced budget, it is essential that ALL NJASFAA funds are managed by the Treasurer, including all income deposited into a NJASFAA account, all investment accounts, and all expenses paid from the account. This will simplify and expedite the filing of the IRS tax return and the annual audit. It also facilitates cash flow and maximizes interest income. The following outline details specific policies and procedures with respect to NJASFAA's fund management.

The Treasurer shall have sole responsibility for all of NJASFAA's financial transactions including:

- a) Check writing
 - i) Issuing refunds and reimbursements
 - ii) Payment of expenses
- b) Receiving of all income
- c) Reconciliation of bank statements
- d) Investment activity

1. Checking Accounts

- a) NJASFAA shall have only one checking account: it shall be an interest bearing account at the highest possible interest rate
- b) Signatories will include the following:
 - i) Treasurer
 - ii) President
 - iii) Vice President as Chair of Finance Committee
- c) The address of the Treasurer shall appear on the account
- d) All checking account deposits will be made in a timely fashion.
- e) Accounts payable shall be made within 30 days. Every effort will be made to reimburse individual NJASFAA members as quickly as possible.
- f) The Treasurer is not authorized to cash personal checks.
- g) A purchase order does not constitute payment for any Association activity.

2. Conference and Workshop Account Receivables

- a) Within 30 days after the conclusion of an event, the event coordinator and the Chair of the Development Committee shall submit a complete list of outstanding accounts to the Treasurer.
- b) The Treasurer shall be responsible for billing and collecting these in accordance with NJASFAA policy.

3. Membership Dues Income

- a) Received by the Treasurer with a membership form.
- b) Deposited in a timely fashion to the NJASFAA checking account.
- c) Membership lists routed to the Membership Committee Chair as needed.

8.20 Sales Tax Reimbursement Policy

NJASFAA is a tax exempt organization as classified under Internal Revenue Service Code 501(c)(3) and is exempt from the payment of various federal and state taxes including the common sales tax.

Effective July 1, 1993 it is the responsibility of each officer, committee Chair, and committee member to follow through on this exemption. When making purchases or contracting for services, the NJASFAA member must advise the vendor of the tax exemption status in advance to preclude any sales tax charges. Proof of tax exemption status or the Federal I.D. number may be required. It is requested that each officer or chair reviews all charges carefully and if in doubt contact the NJASFAA Treasurer.

IRS FORM 5372 (DO (5-77) may be used to provide proof of exemption from sales tax (copies can be obtained from the Treasurer.

8.21 Stale Check Policy

1. All NJASFAA checks will be marked "VOID AFTER 90 DAYS."
 - a) If a check becomes void, it is the payee's responsibility to request in writing that a duplicate is issued. Such request will be sent to the Treasurer. If no request is received, the check will be declared "Stale."
2. A stale check that is later reissued will be charged to:
 - a) The same account from which it was originally issued if the fiscal year records are still open.
 - b) An account in the current year title "Prior year(s) expenditures"¹¹ when the stale check is from a closed prior fiscal year.
3. An ongoing "Stale Check Record" will be maintained as a part of NJASFAA's permanent financial records.
 - a) It will not be openly publicized to the membership.
 - b) A copy will be made available upon request to any NJASFAA member.

NOTE: By declaring a check stale, NJASFAA is not relinquishing its obligation to the payee. However, NJASFAA does not deem it necessary to remind the payee to cash a check.

8.22 Tax Returns

NJASFAA is required to submit Federal and NJ State tax returns on an annual basis. The Association will submit all necessary documentation to the auditor after the close of a year for filing in August of that year.

Based on a tax year which ends 6/30, following are the dates the returns must be filed:

Federal Return	11/15
NJ Charities Annual Report	12/31

An annual review will be conducted regularly; an Audit will be conducted approximately every three years to ensure the Association is in good standing related to its financials.

6/13/13

8.23 *Travel Expense Reimbursement Procedure*

All association travel must be authorized by the Association's President and Executive Council, either in writing or verbally, before travel costs are incurred.

The NJASFAA Travel Expense Claim and required receipts must be submitted to the Treasurer for reimbursement of travel expenses. Reimbursement will be made in accordance with the following guidelines: (In all cases, the least expensive means of transportation should be chosen).

1. Commercial Transportation:

Commercial transportation (coach rate) will be reimbursed at actual cost with receipt. Air reservation should be made as early as possible in order to take advantage of lower rates, i.e., "super saver" fares.

2. Private vehicle:

Privately owned vehicle transportation shall be reimbursed at the current per mile rate allowed by IRS. Reimbursement for such cannot exceed the cost of commercial airfare unless approved by the Executive Council. Calculation of mileage must be from either home or institution, whichever is closer to the destination.

3. Lodging:

Reasonable and prudent expenses for lodging shall be reimbursed at actual costs with a receipt. Phone calls will not be reimbursed.

4. Meals:

7. Travel to Committee Meetings

Effective 7/1/05, travel to committee meetings may be reimbursed for individuals who may not receive reimbursement from their employer. If the total round trip is greater than 40 miles, the full trip, including tolls, will be reimbursed by the Association at the current IRS rate. Calculation of mileage must be from either home or institution, whichever is closer to the destination. Expense forms must be submitted to the Committee Chair in December and June for the prior 6 months.

6/15/11

8.25 Vendor Policy - Guidelines for Distribution of Materials at NJASFAA Sponsored Events

Any vendor who registers for the annual NJASFAA multi-day conference will be charged the exhibitor sponsor fee regardless of their intent or ability to exhibit at the conference (i.e., attend conference as an attendee and not exhibiting) or the use of the NJASFAA website or listserv to advertise product(s) or service(s).

In an effort to ensure fairness to all vendors who support NJASFAA, the following guidelines have been established concerning the distribution of materials and “giveaways” at NJASFAA conferences, meetings, workshops, and training events:

Conferences:

When a vendor room is provided, vendors are invited to purchase vendor space for exhibit and can distribute any and all material, including but not limited to:

Promotion of specific products and services including brochures, applications and other forms, as well as trinkets with nominal value such as pens, pads, toys, etc.

All other NJASFAA sponsored events (training activities, meetings, workshops, etc.):

Vendors will not be permitted to distribute materials to NJASFAA attendees/ registrants without prior approval of the Chair (s) of the Development Committee, including, but not limited to:

Promotional material describing specific products and services, brochures, applications or forms, or trinkets or other premiums.

The exception to this rule: materials such as pens and pads may be distributed at the discretion of the NJASFAA Chair responsible for the event if such materials would be useful in the conduct of the meeting/workshop. In these cases, the vendor must obtain the approval of that Chair before distributing the materials.

Use of Website:

Vendors/exhibitors who register for the annual multi-day conference will be permitted to advertise their product(s) or service(s) on the NJASFAA website and via the NJASFAA Announcements and listserv.

10/17/17

8.26 Whistleblower Policy

The objective of the NJASFAA Whistleblower Policy is to establish a policy for the protection of elected officers, volunteers and members reporting concerns from retaliation, harassment, or adverse consequences related to complaints of organizational wrongdoing.

It is recommended that all members of the Executive Council sign this statement every year. Appendix H has the complete statement which can be printed for signature.

Financial Aid Planning and Scholarship Search Companies

An important goal of the New Jersey Association of Student Financial Aid Administrators (NJASFAA) is to advise students and their families seeking financial assistance for post-secondary education. NJASFAA members provide *free* services to students on financial aid availability, application and programs.

Financial aid administrators offer their expertise on eligibility and availability of state, federal, and institutional programs. Assistance in the proper and accurate completion of the necessary forms students use to apply for the various aid programs available is provided.

NJASFAA encourages all interested students and their families to first inquire about financial aid programs, eligibility and application procedures through the Financial Aid Office of the post-secondary institution they are interested in attending. NJASFAA members strive to provide accurate and timely professional advice to students free of charge.

NJASFAA acknowledges the growing number of businesses offering financial aid planning and financial aid application assistance. However, given the diversity of services provided by these businesses, NJASFAA members are not in a position to address the legitimacy, reputation, or effectiveness of these companies.

June 1995

To assist you and your family, the following questions have been developed by The Student Advisory Committee of the College Scholarship Service for those students and families considering using the services of a search company:

- If the company suggests that large amounts of aid are not currently being used, how does it document this?
- How many financial aid sources exist in the company's computer file? Does the company maintain its own file of sources or does it use the file of some other company or service?
- Is there a minimum number of sources provided by the company? Do the listings include scholarships, loans, work or contests? Do they include federal and state programs which the student will be considered for through the regular financial aid process?
- How often does the company update its list of aid sources? Does the company confirm these sources exist and that the deadline dates and eligibility criteria are current?
- Can the student apply directly to the aid sources provided by the company? Are there application fees for the sources provided?
- How long will the student have to wait for information?

- What characteristics are used to match students with aid sources?
- How successful have previous clients been in obtaining funds from aid sources identified by the company?
- Will the company refund the program fee if aid sources are incorrectly matched with the student's qualifications, if aid sources no longer exist or fail to reply to the student, or if application deadlines for aid sources have already passed when the information is received?

Answers to these questions should help families in establishing the credibility of a computer search company. There is no guarantee that a student who uses this type of service will actually receive any funds.

Appendix E:

Election Procedures and Master Calendar

Procedure Summary:

NJASFAA elections are conducted in early spring of each calendar year prior to the Spring Conference. The sitting Past President serves as Chair of the Nominations and Elections Committee, and relies on the membership of the Board of Directors and the current Executive Council for assistance in garnering nominations from the membership.

Master Calendar:

December 15 – The Past President sends an email to membership via the NJASFAA list announcing the call for nominations for the following offices: President-Elect (1), Vice-President (1), Secretary (1), Treasurer-Elect (1), Council Member at Large (4), and the NJASFAA Service Awards (2). Effort must be made to ensure that all positions have a candidate to eliminate double positions in the event of a resignation.

January 15 – nominations of candidates are due via email to the Past President. Nominations for service awards are also due.

February 1 – Past President sends the content of the ballot including names of candidates and college to Electronic Initiatives Chair(s) who set up the ballot using the prior year ballot as a template.

Electronic Initiatives responds via email to the Past President with a link to the test ballot. Past President tests the ballot by casting a vote. If any changes are to be made to the content of the ballot, the Past President communicates these changes back to the committee. Once all changes are satisfied, the ballot is posted to NJASFAA web-site by mid-February. Past President is given a URL to the voting results so that a daily tally can be viewed to see how many members are voting.

February 15 – ballot posted to NJASFAA web-site with voting open until first week of March.

February 15 – A small committee of Past-Presidents will convene to select the NJASFAA Service Awards. At least one member of the committee will be a currently active Past-President. A discussion and vote on the nominees will be done via conference call.

Early March – deadline date for voting. Past President checks final vote count on web site. Record of the results will be noted by the Past-President. The ballots will be purged when the new Council take office.

Mid-March – NJASFAA Spring Conference held, newly elected officers announced, NJASFAA Service Awards announced, President's Awards and Committee Awards announced.

Dates are subject to actual date of annual Spring Conference and may be revised accordingly.

As NJASFAA has a strong desire to promote and encourage member participation, any person who agrees to run for office and is not elected will be considered for a Chair or Co-chair position on a working committee.

NJASFAA AWARD Descriptions

NJASFAA recognizes individuals who have provided service or made significant contributions to the aims and ideals of the financial aid profession. Nominations for all awards are made by the members (active and associate) of NJASFAA and are solicited by the Nominations/Elections Committee. Awards are presented at the Spring Conference, unless otherwise arranged.

Certificates of Appreciation

Generally these are given to all Committee Chairs and committee members annually to recognize their efforts throughout the previous year. Certificates are prepared by the Membership Committee.

NJASFAA AWARD DESCRIPTIONS

Distinguished Service Awards:

Arthur E. Richmond Distinguished Service Award

This award is presented to recognize the outstanding contribution of an individual(s) in the field of financial aid who has made significant contributions to the field of financial aid through NJASFAA activities. The recipient(s) has to be a NJASFAA member. Because this award represents the highest honor bestowed by NJASFAA, it is recommended that only one recipient be selected each year; exceptions can be made under unusual circumstances.

Art Richmond is often referred to as one of the most enthusiastic proponents of NJASFAA. Serving as the Director at Rutgers University and always acting as a student advocate, Art's vision for the financial aid profession was to insure that those entering this profession could learn the trade through the establishment of a statewide organization we now know as NJASFAA. He served as President of NJASFAA twice and conducted many of the sessions that taught financial aid administrators how to examine the different methodologies for computing aid. He stressed both horizontal and vertical packaging to ensure that the neediest students received funds. Art's impact on the financial aid community can be felt even today as we think about his controversial stands on how student dollars are allocated.

The Thomas C. Scott Distinguished Service Award

This award is presented to recognize the outstanding contributions of an individual not directly involved in a Financial Aid Office to the field of financial aid and/or NJASFAA. The recipient does not have to be a NJASFAA member. Because this award represents the highest honor bestowed by NJASFAA, it is recommended that only one recipient be selected each year; exceptions can be made under unusual circumstances.

Tom Scott was a consummate financial aid professional. Serving as the Director of Financial Aid at St. Peter's College for over 22 years, Tom aspired to serve the financial aid community as a trainer, a mentor, and our resident comedian. He considered his profession his vocation; whether by interpreting regulations, providing expert guidance, or offering assistance and support to all

students and administrators, from counseling students on their future objectives to maintaining one's sanity in this hectic business. Tom truly understood what it was to contribute to one's community for the betterment of the individual and the profession as a whole.

NOTE: There cannot be a repeat recipient for either of the Distinguished Service Awards if that recipient is still in the same category (e.g. a recipient of the Arthur E. Richmond could later receive the Thomas C. Scott award, but not another Arthur E. Richmond Award).

President's Service Awards:

The William G. Murphy President's Award

The recipient(s) of this award is/are selected by the President to recognize the outstanding contributions of an individual(s) to NJASFAA and the President. The nominee(s) must be a NJASFAA member. There is no restriction as to the number of awards given each year.

Bill Murphy served as Director of Financial Aid at Glassboro State College, now known as Rowan University. Bill distinguished himself in the financial aid profession by serving as President of NJASFAA, a member of the state college sector, and a community representative to the HESAA board meetings. Bill was an active leader in financial aid technology; often identifying technology issues long before the solutions became available. Those who were close to Bill know of his loyalty, caring and selflessness as a friend. His dry sense of humor and quick wit were always welcome distractions during meetings or conferences. Bill was the consummate professional and a true pioneer in introducing technology to the financial aid workplace.

Lifetime Membership Award:

Lifetime Membership Status will be granted to Past-Presidents at the time of their leaving the Association (typically due to retirement). It is recommended that the recipient be either out of the aid profession or out of the NJ area. The recipient of this award will remain an Associate member of NJASFAA and will be entitled to all benefits accorded an Associate member. Any member of the Board of Directors who falls into this category is entitled to an engraved watch (engraving to be simple – e.g. NJASFAA or NJASFAA and the year).

Lifetime Membership Award is granted to a NJASFAA member at the time of their leaving the Association (typically due to retirement) at the discretion of the President. This designation tends to be used for active members who may not have served as President.

Other Awards:

Committee of the Year Award

The recipient committee of this award is selected by the President to recognize the outstanding contribution(s) made to NJASFAA by a specific committee. A plaque is presented to the chair(s), certificates to the members.

The Young Leader Award

The recipient of this award is selected by the President to recognize the outstanding contribution to NJASFAA and the financial aid profession by an individual who is advancing within the association. A plaque is presented.

Gavel Plaque

Presented to the outgoing President by the incoming President.

No longer in Effect (2018/19) - Memorial Scholarship Awards (eff. 5/16)

Chair is responsible for ensuring the Scholarship winners receive a framed certificate. Each year, the scholarship may include the name of any NJAFAA individual who is being memorialized based on their contributions to NJASFAA and the membership.

Retiree Awards

Chair is responsible for ensuring that recent or forthcoming retirees are honored with a certificate and retiree pin.

Longevity Awards

Longevity Awards are given to those members of NJASFAA who reach the 5, 10, 15, 20, 25 and 30 year milestones of service to Financial Aid (service over career, not limited to service in NJ). See Appendix K-3 for additional information.

Gift for outgoing President

Coordinates the giving of a gift to the outgoing President by the President-Elect.

Other Awards

Special circumstances may call for the creation of a specific award to recognize a contribution to the association that is not covered by any of the above awards. This action can be taken at the discretion of the President and/or Executive Council. This would be a highly unusual circumstance.

The Board of Directors, with the approval of the Executive Council, is responsible for the establishment and naming of awards for NJASFAA.

K – 3:

Longevity Awards –

These awards are given to NJASF AA members when they reach certain milestones related to years of service in the career.

The awards are:

5 years	brass keychain
10 years	business card holder
15 years	pen set
20 years	leather portfolio
25 years	clock
30 years	coasters
35 years	certificate
40 years	framed certificate

The Longevity awards are given out each year at the annual conference (Spring) to all who qualify. In order to determine the recipients for this award, the Chair of the Awards Committee will request a list of those individuals who meet each category from the Membership Chair prior to the Spring Conference.

Procedures:

- The year that each member began in the Financial Aid field is recorded in the membership database based on self-reported data.
- Prior to the annual Spring Conference, the Membership Chair will generate a list of those members who meet the 5, 10, 15, 20, 25 and 30 year levels. For longevity at the 35 and 40 levels, a certificate is produced. The 35 year certificate is placed in a folio, the 40 year certificate is framed.
- In order to receive their award, the member must attend the annual Spring Conference in the year they are eligible to receive their award.
- Periodically, the Membership Chair can work with the Awards Chair to send a mailing to collect start year information from members in the database. Data can also be collected at each conference and via the membership directory information on the web-site.
